H.C. Wainwright & Co. acted as the exclusive placement agent for the offering.

The warrants have an exercise price of \$2.21 per share of common stock, are exercisable immediately and will expire five and one-half years following the date of issuance.

The Company intends to use the net proceeds from the offering to fund the development of its immuno-oncology programs, other research and development activities and for general working capital needs.

The shares of common stock (but not the warrants or the shares of common stock underlying the warrants) were offered by the Company pursuant to a "shelf" registration statement on Form S-3 (File No. 333-224031) previously filed with the Securities and Exchange Commission (the "SEC") on March 29, 2018 and declared effective by the SEC on April 6, 2018. A final prospectus supplement and accompanying prospectus relating to the shares of common stock being offered were filed with the SEC. Electronic copies of the final prospectus supplement and accompanying prospectus may be obtained on the SEC's website at <http://www.sec.gov> or by contacting H.C. Wainwright & Co., LLC at 430 Park Avenue, 3rd Floor, New York, NY 10022, by phone at (646) 975-6996 or e-mail at placements@hcwco.com.

The warrants described above were offered in a private placement under Section 4(a)(2) of the Securities Act of 1933, as amended (the "Act"), and Regulation D promulgated thereunder and, along with the shares of common stock underlying the warrants, have not been registered under the Act, or applicable state securities laws. Accordingly, the warrants and underlying shares of common stock may not be offered or sold in the United States except pursuant to an effective registration statement or an applicable exemption from the registration requirements of the Act and such applicable state securities laws.

This press release shall not constitute an offer to sell, or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About Phio Pharmaceuticals Corp.

Phio Pharmaceuticals Corp. (Nasdaq: PHIO) is a biotechnology company developing the next generation of immuno-oncology therapeutics based on its self-delivering RNAi (INTASYL™) therapeutic platform. The Company's efforts are focused on silencing tumor-induced suppression of the immune system through its proprietary INTASYL platform with utility in immune cells and/or the tumor micro-environment. Our goal is to develop powerful INTASYL therapeutic compounds that can weaponize immune effector cells to overcome tumor immune escape, thereby providing patients a powerful new treatment option that goes beyond current treatment modalities.
